**Surrey, Type One,  
\$1,200.00  
Cape Top, \$100 Extra.**

## The Rambler

*requires 40 to 50% less gasoline than other cars*

110 miles, over three mountain grades, from Los Angeles to Santa Barbara, Calif., on 7 1-2 gallons of gasoline, is the Rambler record. The three other cars with perfect scores used 9 1-2, 10 1-2 and 12 gallons respectively.

A practical demonstration at any Rambler agency of Rambler ease of control, simplicity and reliability of mechanism, slight cost of fuel and maintenance, will prove to you that the Rambler is the car for you to buy.

Surrey, Type One, illustrated above, complete with lamps, horn, tools, etc., \$1,200.00. Cape top \$100.00 extra. Write for catalogue illustrating and describing six different models from \$650.00 to \$3,000.00.
