THE NEW HAYNES SEDAN AN ALL-SEASON, ALL-PURPOSE CAR

THE four factors of car character—beauty, strength, power and comfort—are exemplified in the new series Haynes Sedan. It is the result of the Haynes organization's twenty-six years of creating cars of known character.

Noted coach builders fashion the bodies after the ideals of Haynes originators. As is proper and in keeping with the atmosphere suggested by a closed car, the body styles are finished and fitted with that rich simplicity which reflects the good taste of the owner of such a car.

Upholstered in genuine mohair velvet, with the rare Mount Vernon pattern carried out in the silver fittings, with frosted rosette light-dome and quarter-lights, with silver trimmed vanity case and smoking case of solid mahogany—the new series Haynes all-season Sedan displays that quiet elegance which appeals to the fastidious and discriminating patrons.

There is a demand for the new series Haynes which is requiring our best efforts to meet. We urge you to make early reservation of the Haynes you select.

The Haynes Automobile Company, Kokomo, Ind., U. S. A.

Like a cozy room on wheels is the Haynes all-season Sedan. It is a family car, appropriate for every use—social, touring and business.
