

The good Maxwell is today generally recognized as absolutely alone in the value it offers.

The beauty which sets it apart and in a class by itself is no more unusual than the greater value it reveals in all that makes a motor car desirable.

Cord tires, non-skid front and rear; disc steel wheels, demountable at rim and at hub; drum type head and parking lamps; windshield cleaner; rear-view mirror; dome and instrument board lights; Alemite lubrication; motor-driven electric horn; unusually long springs; deep, wide, roomy seats; broadcloth upholstery; clutch and brake action, steering and gear shifting, remarkably easy.
