

Easier to handle - safer to drive

The driving control of the Ford car is exceedingly simple, yet always dependable. It effectively reduces the possibilities of accidents—particularly in crowded city traffic. Foot pedal gear changing, powerful brakes, short wheelbase and full visibility, afforded by the all-steel body construction with narrower pillars and large plate-glass windows, are important rea-

sons why Ford owners enjoy such security. Let the nearest Authorized Ford Dealer explain the many features of Ford cars and demonstrate their easy handling. Get full particulars about convenient time payment plans.
