A Decisively New Order of Beauty

EXECUTED by Fisher, the bodies of the new Pontiac Six mark a unique development in the field of low-priced sixes. Contrasted with the creations hitherto available, they establish a decisively new order of beauty.

Until now, no six-cylinder closed car costing less than \$925

offered the superlative craftsmanship that the Fisher emblem denotes. And in these new Pontiac-Fisher bodies have been achieved such richness of Duco finish, such beauty of line and color as to literally explode the theory that a low-priced six-cylinder car has to present a commonplace appearance.
