

80 and more luxurious miles per hour, 92 horsepower instantly responsive and obedient to your slightest driving requirement, distinguished and well-bred in appearance and bearing—these are some of the very obvious reasons why the Imperial "80" is being regarded everywhere as the logical successor to the finest car of yesterday. Eight body styles, priced from \$2495 to \$3595, f. o. b. Detroit, subject to current Federal excise tax.
