

"The supreme combination of all that is fine in motor cars."

*Luxury* / The improved Packard Eight is the supremely luxurious car. It is designed and built for those favored few who may and do demand the comfort and ease of their own drawing rooms in motor travel.

Fast or slow, flashing through the maze of metropolitan congestion, or smoothly annihilating distance at almost aircraft speed in the open, Packard passengers know the luxury of truly restful transportation.

The graceful beauty of Packard lines, the roominess of the car's interior, the quiet good taste of its upholstery and appointments, the silent ease of motion, and the sense of security which comes with tremendous power under sure control—all contribute to the mental satisfaction and physical repose of the Packard Eight owner.

Here, the discriminating man or woman finds ideal performance, beauty, distinction and comfort perfectly combined.
