

New Bodies New Colors New Refinements

THE art and skill of Fisher craftsmen is strikingly exemplified in the long, low lines of the New and Finer Pontiac Six bodies, in their smart belted effects and in their luxurious comfort.

Rich Duco finish, in the latest and most appealing colors, adds to the striking beauty of the New and Finer Pontiac Six. New refinements such as sweeping full-crown fenders, new, higher radiator, tilting beam headlights, place this car in a class far above that into which its phenomenally low price brings it.

And back of all these evident improvements and advances stand the established Pontiac qualities of power, speed, stamina and economy—the qualities which won for Pontiac Six the most outstanding success ever accorded any new car during its first year.

Only by seeing the New and Finer Pontiac Six, by driving it and by learning its new lower prices, can you realize how great a thing has General Motors done in the field of the low-priced six.
