

TO excel in design, in precision, in performance. To surpass in every feature pertaining to a fine car. To be superior in beauty, exceptional in mechanical ability, luxurious in

comfort, modern in conception and superb in realization. Such has ever been the ideal of Cadillac and such, more splendidly than ever before, is the new Cadillac of today.

More than 50 exclusive body styles by Fisher and Fisher-Fleetwood, priced from \$3295 to \$5500
