

# World's Fastest Road Car

*now sets new styles in Interior Luxury and Design*

THE Airman Limited is years ahead! Here is *new elegance* such as motorists have never known before. In the newly designed interiors are infinitely finer upholstery—artistic new appointments—and colorings which introduce a new interior beauty—delightful blues, maroons, harmonious mixtures of green and gray and brown. The complete ensemble achieves new luxury—comparable only to exquisite, modern drawing rooms.

The new Airman Limited sets the *style* and sets the *pace*. In a recent demonstration, Cannon Ball Baker drove a stock Franklin sedan from Los Angeles

to New York and return—6,692 miles—in 6½ days! Proving conclusively that Franklin's speed, comfort, ease of control, ruggedness and air-cooling combine to produce the *world's fastest road car*.

Franklin holds the key to speed-with-comfort. Now, with sumptuous interiors and a new completeness of comfort features, the Airman Limited offers Luxurious Fast Travel. You can expect to be *surprised* when you see the Airman Limited—you can expect to be *thrilled* when you drive it—no other car is like the Airman Limited . . . Franklin Automobile Company, Syracuse, New York.
