

LINCOLN

Sport Phaeton (by Locke)

The spirited beauty of the Lincoln Sport Phaeton suggests the easy grace and speed of the sea-gull. Just as the swift passage of the bird is free of conscious effort, so the resources of Lincoln power are obedient to your every need with equal freedom from effort. Acceleration that masters every traffic problem,

speed that fears no challenge, ease of control that gives full confidence to meet emergency—these are prime qualities of Lincoln performance. They are admirably expressed in every carefully selected detail of appointment and rich finish and in every line and graceful curve of this Locke design.
