Beauty and color
as radiant as June

THERE are cars which seem to embody boundless zest—the gipsy lure of June. Cars—that sparkle in their rich beauty of line—that are so individual, so complete, they seem almost alive.

Such is this distinguished Six-91.

Its appearance but echos the kind of performance a ride reveals. Its action is as colorful as its beauty. Here is power that's invincible—pick-up that flashes thru the traffic lane—speed—zest—go.

And always, soothing smoothness—

tranquil riding ease—a sense of restful assurance when you drive. If you enjoy fine things, the Six-91 holds an irresistible appeal for you.

Most impressive of all, however, is the fact that this car is backed by a heritage of quality possessed by few things you can buy today.

But you must see this Peerless to appreciate its rich beauty—you must drive it to experience performance far beyond the usual. Phone the Peerless dealer and let him demonstrate this fine car's fineness.
