

Straight Eight 88 Cabriolet \$1695

Of course this is the very last word in body style and improvements, adaptable for any weather any month. The top can be lowered in a few seconds. But body design and colors are a matter of taste. What counts in ANY automobile is the VALUE and ENDURANCE of its CHASSIS. When you buy a car you buy MACHINERY to manufacture

TRANSPORTATION. Miles! The more miles it gives, the easier it negotiates them, the less attention it requires and the WAY it transports you determines how much you get for your money. It is a business transaction. Auburn welcomes business methods. Compare and drive the new Auburn. MAKE it sell itself or do not buy.
