

The New Thrill in Motoring

Four Speeds Forward
Standard Gear Shift

OWNERS say that the only new motoring thrill they have enjoyed in recent years is the distinguished performance of the Graham-Paige four speed transmission, with its *two* high speeds and *standard* gear shift. The smoothness and swiftness of *fourth*, and the rapid acceleration of *third*, can only be appreciated by personal experience. There is nothing new to learn — you start in second; first, in reserve, is instantly available, but seldom used. We invite you to enjoy a demonstration of this new thrill in motoring.

Five chassis—sixes and eights—prices ranging from \$885 to \$2495. Car illustrated is Model 827 Cabriolet with Rumble Seat, \$2145 (special equipment extra). All prices at factory.
