F.O.B. GRAND RAPIDS

What weather provisions? Perfected heat control on the carburetor assures the proper temperature for winter and summer . . . increases efficiency. ▲ *Is it roomy?* The new DEVAUX 6-75 is low, but the appearance deceives.

The sturdy body is wider than standard measurements. There is a surplus of room for head, knees, legs. Thus, riding comfort is uncommonly great. *What a tribute to plant management are the truly confounding low prices!*

ILLUSTRATED ABOVE is the DE VAUX 6-75 Custom Sedan..price-\$785. Other DE VAUX 6-75 closed models are the Business Coupe . . . the Sport Coupe . . . the Sport Sedan . . . and the Custom Coupe.

A Low-Priced Truck will be announced soon.
