

MARMON

PRESENTS TWO NEW EIGHTS

As companion cars to the Marmon Sixteen, Marmon presents at the current Automobile Shows two new straight-eights... the latest results of its five years' experience in the eight-cylinder field: the New Marmon 88... 125 horsepower, 130 and 136 inch wheelbases, priced in the \$2000 field; and the New Marmon 70, a truly luxurious small car, in the \$1000 field, yet with traditional Marmon individuality and precision manufacture.

Illustrated above—the New Marmon 88 Club Sedan on the 130-inch wheelbase, one of seven distinguished body styles.
