

FAITH IN AMERICA

In times of adversity people are apt to lose faith in themselves — in their businesses — even in their country and its future, therefore, this advertisement is based, not on promises or predictions, but purely on facts and figures.

It is submitted to the business men of America as proof that value at a low price will be recognized even in trying times.

AUBURN'S success is not an accident — it is the result of plans and policies outlined years ago.

It has been AUBURN'S creed to pass back to the public the benefits of public acceptance and patronage and in this year when buyers have scrutinized values as never before AUBURN was ready to give them the greatest value it has ever offered.

As a result, AUBURN enjoys the greatest success in its history.
