

# The ASTON MARTIN

"INTERNATIONAL"  
SPORTS FOUR-SEATER

*The car . . .  
with characteristics  
all its own*

This new model of the Aston Martin "International" Sports Four-Seater is a car of supreme refinement, both in the manner of its performance and in its constructional advantages. It handles with that comfortable ease of control and responsiveness which is so greatly desired but so rarely found in a car so moderately priced.

A study of our new literature, which will gladly be sent you on request, will show how the Aston Martin is developed on the most advanced and sound engineering principles, and is individually built to the smallest detail. Will you at the same time make an appointment to try it out yourself, because its performance surpasses all description?

The Price of the "International" Sports Four-Seater is now only **£475**
