

# A 160 H.P. TWELVE for ONLY \$1345

We claim this new Auburn Twelve performs better than any other production car! We claim it accelerates faster, runs faster and climbs hills faster! We claim it is quieter and smoother! We claim that, despite its greater power and size, it is more economical—will run considerably more miles per gallon than many Sixes and Eights, of far less Horse Power! And we submit the car itself as proof for all of these claims. Ask your Auburn dealer for a demonstration. We promise you, you will be surprised how easily you can get away from other cars in traffic—how easily you can pass them on the road—how easily you can pass them on the hills—and how you do all these things with greater smoothness, less effort, and with amazing economy. You want, and are entitled to get, the greatest value for the least cost. This new Twelve is specifically designed and built for that kind of a market. Drive it and see if its speed, power, smoothness and economy do not exceed anything you have ever experienced.
