

**"He takes them in
the coupe.. I call for them
in the coach"**

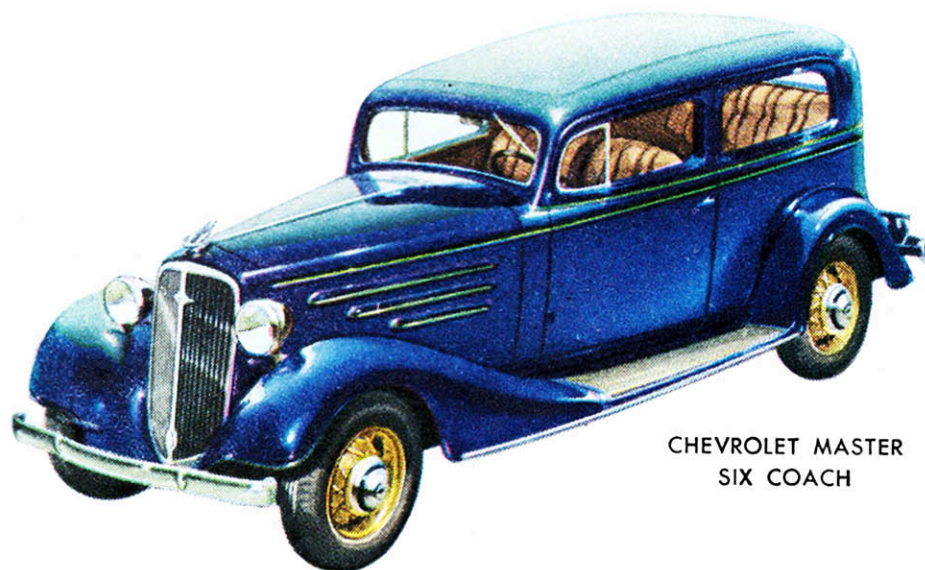

Drive it only 5 miles and you'll never be satisfied with any other low-priced car

A WOMAN has so many things to do, during the day, that call for the use of an automobile! Lucky for her there's such a car on the market as the new Chevrolet. With Chevrolet prices so low—with Chevrolet operation so thrifty—thousands of families can now afford the convenience and freedom of *two cars!* Just figure it out, and you may discover that *your family can, too!* *Price of a Chevrolet:* one of the lowest on the market. *Gas and oil cost:* lower than that of any other full-size car. *Service cost:* practically nothing, due to Chevrolet's famous dependability and long life. And think what you get for your money: Two big, roomy, Fisher Body cars. Two quiet-running Sixes! And two of the smartest streamlined creations that were ever parked before your door.
