

**THE  
FORD  
V-8**

**"IT'S SO EASY TO DRIVE" . . . "AND SO ECONOMICAL"**

WE ASKED TWO WOMEN what they liked most about the Ford V-8. Mrs. Lewis, the busy mother of three attractive children, said — "I love the Ford V-8 because it is so easy to drive. It's always ready to go places — to take the children to school, to go to market, to run into town to the sales. And it's so easy to park. I always feel safer in it too. Its brakes are quick and powerful. It accelerates so fast that it just seems to jump out of trouble's way. And if anything should happen, I know the all-steel body and safety glass will help to protect

us from any injury." . . . Miss Osborne, a successful business woman, said — "I like the Ford V-8 because it is so trim and smart and up-to-date. And its appointments are perfect. The glove compartment in the dash is a wonderful idea. I can put my purse and papers in it and know they're safe. And of course it would be foolish of me not to admit that I like my Ford because it's so economical. With the Ford V-8 I save a lot on gas and oil. I have never seen a car handle so perfectly under all driving conditions."
