

CADILLAC HAS DESIGNED AND BUILT

*The Newest Car in the World*

# LA SALLE

*America you—above all other nations—know how priceless is style. . . . For nothing can be desirable that is any-  
wise out-of-date. . . . Cadillac presents La Salle—supreme in streamline design . . . so smart, so different, so captivating  
that it puts years between yesterday and today. . . . As final assurance of its style and elegance and quality—remember  
that all bodies for La Salle are built by Fleetwood, the foremost custom builder in the world. . . . La Salle prices are  
actually almost a thousand dollars below those of last year. . . . The moral, of course, is obvious—*get a La Salle.**
