

"THERE'S SOMETHING ABOUT A
GRAHAM..."

"I have just returned from a seven thousand mile trip in one of your Custom cars with a Supercharged Eight motor. I have had 28 cars since 1905 and in the last 10 years have had nothing that I have paid less than \$3500.00 to \$5500.00 for. I think your Supercharged Eight the greatest motor I ever drove—no end to power and speed."
