**"THERE'S SOMETHING ABOUT A
GRAHAM..."**

"It is by far the greatest automobile I have ever had the pleasure of driving, and I have driven some of the best. The Graham Supercharged Eight is a beautiful automobile, just chucked full of everything a good automobile should have—speed, ease in handling and economy of operation. My Supercharged Eight gives me 17½ miles to the gallon of gas, and I have never put in any oil except in changing." —H. K.
