Have you heard about Pontiac's built-in luggage compartment? Women agree, it makes marketing twice as agreeable. It can hold a week's food supply, protected from dust and moisture. And it's such a relief to have the car interior completely free of parcels. Pontiac combines this convenience with easy-action, weatherproof brakes . . .

quick starting . . . the supersafe solid steel "Turret-Top" Body by Fisher . . . no draft ventilation . . . and styling that makes Pontiac the most beautiful thing on wheels.
