

Cadillac-Fleetwood
TOWN CABRIOLET

Cadillac-Fleetwood Town Cabriolet, \$4445

Never in the history of the motor car industry has there been another name with the significance of Cadillac-Fleetwood. Everywhere, it has come to connote the highest attainment in the motor car builder's art—chassis by Cadillac, body by Fleetwood. For the new Cadillac chassis, Fleetwood has designed and fashioned the finest coachcraft it has ever produced. Beautiful, completely luxurious in every detail

of fitment and finish, and highly individual in both appearance and form—the new Fleetwood creations stand unique and alone in every aspect of their excellence. Fleetwood builds bodies for the Cadillac Eight, Twelve and Sixteen. The car shown above is the Eight-cylinder Cadillac chassis and the body is the Fleetwood Town Cabriolet. This body is also available on the Twelve-cylinder Cadillac chassis.
