

THRILL-L-L

Thrill to Supercharger Performance ... and everything else seems tame

The magic of the Supercharger makes Graham so smooth and effortless, so surprisingly responsive, that you have a sensation, in driving it, entirely unlike anything you've ever known before . . . like those tingling, thrilling seconds when a "bob" slips down the glassy run—and your breath catches in your throat . . .

And performance isn't all. Graham has surrounded this mechanical magic with

style and beauty that are relatively as far ahead of the times as the Supercharger itself. See this magnificent new car — and you will readily understand why "The Style Award goes to Graham". Drive it and you will realize that not even the remotest stretch of the imagination could come anywhere near picturing the actual thrill! See your *Graham* dealer. He will gladly place a Supercharger at your disposal.
