

# The Style of The Month + The Car of The Year A MATCHLESS COMBINATION

WHO could feel less than perfect . . . who could be anything but self-assured, under this debonair Style of the Month? The right hat *does* have that effect, as every woman knows. And so does that smart, alluring, distinctive and distinguished *car of the year*—the Silver Streak Pontiac!

A grateful public, weary of cars that all look just alike, has christened it the "most beautiful thing on wheels." And the way it runs, rides and handles restores your nerves and gaiety as effectively as a beauty sleep! Yet this 1936 Pontiac is one of the lowest-priced cars you can buy! Its big Fisher body is gratifyingly roomy. Its hydraulic brakes are smooth and sure in any weather. And finally, it's a real friend of the family budget—because it's a marvel of dependability and actually the most economical car of its size!
