**14.875 SEAT BELT UNIT— SHOULDER STRAP UNIT**

*NOTE: Components of Seat Belt Assemblies are not available separately. To comply with specified safety standards, it is not recommended that integral retractors, buckles and inserts which are sewn in. Both right and left hand seat belt sections should be replaced as a unit. Many designs of metal inserts and buckles may look alike, may "false-latch" one into the other without the specified strain.*

*NOTE: See Dealer Price Schedule (P&A 26) for applicable prices.*

*NOTE: All seat belt and strap unit packages contain all necessary parts for installation exc. stowage provisions.*
