

*Brakes to trust
... quick and quiet!*

The 1946 Ford offers more advances than most pre-war yearly models! There's new-styled smartness throughout. Still more over-all economy . . . Here is a big car—with increased power—and new *oversize* hydraulic brakes for quick and quiet stops . . . (And what a ride! *So level*. So smooth and gentle—thanks to new slow-action springs) . . . Inside you'll find new richness. Colorful fabrics—soft to the touch—and smartly tailored to the broad, deep seats . . . There's a choice of engines—both with new thrift features to save gas and oil. The V-8, now stepped-up from 90 to 100 horsepower—the 90 horsepower Six . . . All in all, they're the smartest, finest Ford cars ever built. See for yourself. Your Ford dealer will be happy to show them to you. FORD MOTOR COMPANY
