NEW 1946 FORD SPORTSMAN'S CONVERTIBLE!

Just Touch a Button
... and in 30 seconds you have a snug "sedan"! With the top up or with it down, the new Ford Sportsman's Convertible is a honey for looks! Ford designers have combined the paneled smartness of the station wagon and the touch-a-button convenience of the convertible!

It Takes a Trunk
There's room galore in this new luggage compartment ... just as there's room galore for six grown-ups in the wide leather seats! Outside and inside there never was a car like this before!

Big New 100 h. p. V-8
makes Ford the liveliest performer of all the low-priced cars! New 4-ring aluminum pistons make the big Ford V-8 thrifty on gas and oil! Its extra power is easily controlled by new oversized hydraulic brakes.
