

*And its styling
will stay smart!*

Fresh, eager, youthful—the new 1946 Ford is the smartest Ford ever built. From bright, massive grille to colorful, two-tone interiors—it's every inch a beauty. . . . Advanced in style—and in comfort, performance and economy, too. Here's a car with new-type springing for a ride that's always smooth and level. A car with new hydraulic brakes—soft yet positive in action—for quick, smooth, quiet stops. And here's a car with new stepped-up power—plus new over-all economy. Two great engines to choose from: the V-8, now increased from 90 to 100 horsepower—the 90 horsepower Six. . . . Everywhere you look you'll find advancements. See this smart new Ford at your dealer's now.
