*Nash Proudly Presents the Newest
Member of the Airflyte Family
...the Amazing New Rambler Convertible Landau*

★ Today you can see the new Nash Rambler Custom Convertible Landau—most exciting car news in years!

Look at its continental flair—its low, racing lines. Look at its compact size—just wonderful for today's traffic. That's all new and all Nash.

★ Look once, and it's a weather-snug, steel-ribbed sedan. Touch a button—it's a five-passenger convertible—with the safety of overhead protection, and the quiet of rattle-proof Airflyte Construction.

And What This Car Will Do!

Just touch the throttle. This jewel is lightning fast with new High-Compression power. Takes you farther and faster on less gasoline than any other 5-passenger car.

And it handles like a dream, parks in a pocket, rides like a limousine!

★ The price? Here's wonderful news!

The Nash Rambler Landau comes tailored to your individual order, from a choice of custom materials—completely equipped with the famous Nash Weather Eye Conditioned Air System, built-in radio and other custom extras as standard equipment. Yet costs less than any other five-passenger convertible on the market today.

★ Come see this new member of the Nash Airflyte family. Ask your Nash dealer for the keys to the newest thrill on wheels.

THERE'S MUCH OF TOMORROW IN ALL NASH DOES TODAY

THE AMBASSADOR
Available with Hydra-Matic Drive

THE STATESMAN
White sidewall tires optional extra

All 3 Nash Airflytes, including the Rambler, feature Airflyte Construction—entire frame and body are a single, welded unit, rattle-proof, double-rigid. Stays new years longer.
