

Yes!!!

A Brand New Rambler Styled by Pinin Farina!

This you're going to love! Now America's first compact custom car sparkles with all the glamorous beauty—all the continental luxury of Pinin Farina styling. Yes, the new smarter-than-ever Nash Ramblers are yours to see, drive—and own! And all you see is *new!*

Here's thrilling new power and quicker performance, with up to 30 miles to the gallon at average highway speed. Here's easy handling and parking to make your busy days more fun! Here's the first car designed for today's traffic—now available with Dual-Range Hydra-Matic Drive.

Here—in the Nash Rambler alone—you get radio, Weather Eye Conditioned Air System—even continental spare tire mount—included in the standard price of hardtop and convertible models.

Come see the brilliant new proof that *there's none so new as Nash*—the new Ramblers, at your Nash dealer's now!

For the first time! A glamorous "hardtop convertible" styled by Pinin Farina in a Nash Rambler model, the new "Country Club." Spare tire is mounted outside in the smart continental manner.

Double-value, double-duty beauty! See the one car that gives you the custom interior luxury of a smart family sedan, and at the drop of a seat, converts to an all-steel Station Wagon.
