- All Models Get New Look
- Special Gets V-8 Engine
- Driving the New Century

This Month's Cover

Two of Buick's new bombshells (see page 28), a Roadmaster Riviera and a Skylark sports-type convertible, are the center of attraction on this month's cover (Ektachromes are by Walter Farynk). Sharing the February spotlight is a trim new Sunbeam Alpine, complemented in Carlyle Blackwell's color shot by his curvaceous model. MT's driving impression report on the Sunbeam is on page 46.
