

The Ford Sunliner

Nearly twice as many people buy Ford Sunliners as any other convertible. Why? Because they appreciate that extra "something" that a Ford Sunliner gives them. Part of this extra "something" is sheer beauty. Part is the instant re-

sponse . . . the smooth silky "Go" of Ford power. Ford, you know, is the only car in its field that offers a V-8 engine. Then, too, there's the roadability and "solid" feel that only Ford's Ball-Joint Front Suspension can provide.

The Ford Skyliner

For the first time ever in Ford's field, you can own a "hardtop" with a transparent roof! And the sweeping beauty of this new type of car is only a clue to what lies within! Interiors are either nylon or nylon-vinyl combinations . . . tailored

to a decorator's taste. And you can have the most advanced optional power assists. Only Ford in its field offers power steering, power brakes, power windows *all around*, a 4-way power seat and Fordomatic Drive.

The 4 Ford Station Wagons

More people buy Ford station wagons than any other make! One reason is Ford's choice: two 6-passenger Ranch Wagons, and the 8-passenger Country Sedan and Country Squire. But, more important, Ford has proved that station wagons

can be beautiful and comfortable—as well as completely *practical*. All Ford station wagons are noted for the ease with which they can be converted from "utility" cars to passenger cars. V-8 or Six—Ford is your best station wagon buy.
