**COVER**

Artist Jack Leynwood again is responsible for the cover illustration of *MOTOR Life*. In order to set the road test theme for the major feature (which begins on page 16), he transferred the lines of a 1955 Chevrolet into a setting of swift and colorful action.

**ANNOUNCEMENT**

Ownership and management of *MOTOR Life* has been assumed by R. E. Petersen, the largest publisher of automotive consumer magazines in the world. Mr. Petersen has taken over ownership from William S. Quinn, the founder of this publication.

*MOTOR Life* will continue to afford its readers the same high degree of reporting the automotive scene that has characterized these pages in the past and will improve and expand its features in line with the policy of its new publisher.

# IN 10.5 SECONDS

The Austin-Healey '100' offers you today's outstanding combination of performance and value. For less than \$3,000 you get light, precise steering, pool-table flat cornering and stable four-footed roadability. These advantages plus an excellent weight-to-power ratio enable the Austin-Healey '100' to dominate Class D cars and many larger.

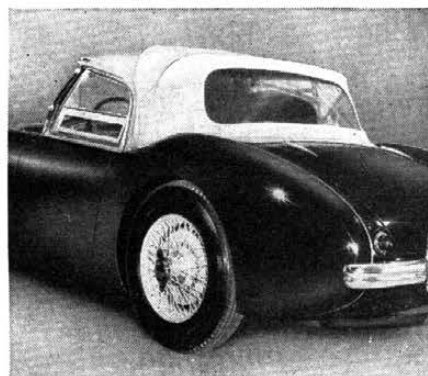

**\$ ONLY 2985**  
**FULLY EQUIPPED**

The Austin-Healey's competition-tested engine develops its maximum torque at a modest 2,000 rpm for top acceleration through the gears. And not only is the engine reliable but it's easy to maintain too, with parts (including a modification kit) quickly available from 14 Austin distributors and 350 dealers.

**Specifications at a glance:** Four cylinder, overhead valve engine; displacement—2660 cc; 90 bhp at 4000 rpm; wheel base—90 inches; curb weight 2150 lbs.; distribution 49%/51%; three forward speeds plus overdrive (synchromesh); steering 2½ turns lock to lock; brake area 145 square inches; average fuel consumption, 25 mpg.

**Because braking is as important as acceleration,** the Austin-Healey '100' is muscled with 11-inch, hydraulic brakes that provide positive, no-fade deceleration. On top of all this the car comes equipped with custom features like overdrive, heater, tachometer, twin carburetors and knock-on wire wheels at no extra cost. For more details, use coupon below.

# STUDEBAKER!

*The sports model of the year!*

Commander Regal V-8—one of a thrilling trio of Studebaker hard-tops that include style-setting President V-8 and Champion team-mates

**Outstanding in spine-tingling getaway!**

**Unsurpassed in take-command go!**

*Styled by Studebaker for Americans with a liking for distinction!* This is the roomiest sports model of its type—superbly suitable for all your driving—a low-swung Studebaker hard-top or coupe.

Here is more than exciting raciness of line. Here is a superbly speedlined exterior that opens up to provide you with a full-bodied, fully weather-protected 5-passenger automobile.

But your most delightful surprise comes when you drive one of these new Studebaker

sports models. They ride and handle superbly. That's because they have real road design and balance. You feel utterly safe and secure.

And what thrill-packed performers! How they sparkle with breath-taking getaway!

Two great V-8s and a spirited 6 to suit your preference! Studebaker's low-level competitive prices to make your investment surprisingly small!

Go and see the new Speedster special—and all the other exciting Studebaker sports models—at your nearby Studebaker dealer's now.

See Studebaker-Packard's TV Reader's Digest—a nationwide weekly feature on the ABC television network
