*Wanta Start
Sumpin'?*

Be sure you have a D S M

Yes, be sure you have a D S M to insure an easy engine start, a good idle and top performance through all ranges.

The economies D S M provides are important too, as they return your investment over and over again.

Many drivers write us regarding the extra life they have experienced in Spark Plugs, Batteries, Starters and even Engine Life due to the efficient engine performance provided by D S M installation.

So when you "Wanta Start Sumpin," be it car, truck, marine or stationary engine be sure you have a D S M, universal for all gasoline engines.

THE COVER

If '56 is known as the year of the big facelift, it could well be thanks to the Olds 98 4-door Holiday; if it's called the year of the \$10,000 car, much credit will go to the new Gaylord; or the Barris Cadillac Le Mans may qualify it as the year of the custom. Top to bottom, photo by GM Photographic, rendering by Brooks Stevens, photo by Trend's Bob D'Olivo.
