

# Look at the *Nash Rambler* line-up

## **RAMBLER** *Cross Country*

The smartest station wagon ever. Limousine-like luxurious interiors color keyed to exciting new two-tone exterior paint. Distinctive stepped roof line with chrome Travel Rack on top, exclusive with the Cross Country Rambler.

## **RAMBLER** *4 Door Sedan*

Thrilling new family sedan offering Airliner Reclining Seats and Twin Travel Beds. Continental Rear Tire Mount, to add a note of distinction and increase usable luggage space, is standard at no extra cost on Custom models.

## **RAMBLER** *Country Club*

Dashing as a convertible with sedan comfort and safety, the Rambler Country Club is available with Hydra-Matic Drive and a host of other luxury car features, as are all models in the Rambler line.

## **RAMBLER** *Suburban*

Budget-priced 2-door Suburban is America's lowest priced station wagon. Ideal for the cost conscious motorist who wants a dual-purpose car for family fun and business usage. Available with All-Season Air Conditioning Hydra-Matic Drive and other luxury extras, as are all Ramblers.

## **RAMBLER** *Club Sedan*

America's lowest priced family car, the 2-door Rambler Club Sedan offers maximum passenger space and comfort at minimum cost. Despite its low price it offers all of the famed features that have made the Rambler the favorite of young American families on the go.
