Ready for Action

S. H. Arnolt Inc., 415 E. Erie St., Chicago

Whether race course, golf course or concours d'elegance the Arnolt-Bristol 2 litre is always ready for action. Not even a spark plug change is required to go from the supermarket to the starting line.

The Arnolt-Bristol Bolide is the bolt-for-bolt duplicate of the cars that placed 1,2,4 in the 2 litre series production class for the second year in a row in the 1956 Sebring 12 hr. race. \$4250.

P.S. The sweater is a thoroughbred, too, owes its brilliance to Sandoz chemicals.
