PV 444

VOLVO

6 straight wins...

*A Product of Superb
Swedish Craftsmanship*

SPEED

The outstanding Volvo PV 444 Sports Engine develops 70 bhp at 5500 rpm with a maximum torque rating of 75.9 pounds-feet at 3000 rpm. A "winner" in every sense of the word, Volvo has chalked-up six straight wins in six starts in California road races driven by Ron Pearson.

ECONOMY

Enjoy "Big Car Operation" with small car economy when you drive the VOLVO. Watch the miserly gas gauge show you up to 40 miles per gallon... The splendid Swedish craftsmanship in the Volvo high compression engine permits maximum operation with no engine rebore for well over 100,000 miles. Overhead valves with twin SU carburetors give you "Jet" take-off from zero to 92 mph in a mere 45 seconds.

COMFORT

Volvo PV 444 offers comfort for a family of five, yet gives you that luxurious continental feeling of power and importance. The spacious luggage area in the rear is the answer to the businessman or family man on routine or extended travel. Whether you choose to select the PV 444 or the Volvo Duett (Station Wagon), you will agree that Volvo is in a class by itself and is rated the LEADER by sport car enthusiasts throughout the world!

family car too!

VOLVO DUETT is powered by the famous Volvo sports engine. This versatile "work-horse" is smartly styled for all-purpose performance.
