# PORSCHE

grand prix performance tells  
wherever you drive...

Easy-going in town, ready for anything on the open road... Porsche's handling qualities have been proved time and again by victories at Sebring, Le Mans, Targa Florio, in the Mille Miglia. Wherever you go, in any driving situation, you will be brilliantly served by the Porsche race-tested features: air-cooled rear engine, servo-mesh transmission, torsion bar suspension, twice-size brakes.

Three models equipped with the 1500 cc Carrera engine, 115 hp, four overhead camshafts, top speed, 125 mph.

# SPORTS CARS ILLUSTRATED

may 1957  
no. 11 vol. 2

The three cars pulling down for the last turn at Sebring represent things to come. Future issues will bring the story of America's premier sports car event for '57. The Ektachrome was shot by John Christy.

Payment covers all author's, contributor's, and contestant's rights in and to the material accepted and will be made at our current rates upon acceptance. All photos and drawings will be considered as part of the material purchased.

# JAGUAR

THE NEW MARK VIII SIX PASSENGER SEDAN

Finest car of its class in the world, the new Mark VIII boasts a high-tensile aluminum alloy cylinder head with hemispherical combustion chambers, developed from the race-proven "C" and "D" type competition heads. Also of particular interest is a fingertip control on the automatic transmission which enables a lower gear to be held indefinitely. A new brake pedal placement permits use of either right or left foot. Manual four-speed transmission available.

All interior cabinet work, instrument paneling, flush-folding rear tables are of matched hand-rubbed walnut; seats and armrests of the finest glove leather upholstery. Full-woven deep pile carpets both front and rear.

Now being shown at Jaguar dealers' across the country or write: Jaguar Cars North American Corporation, 32 East 57th Street, New York 22, N. Y.
