# **UNTIL YOU DRIVE A '57 AMERICAN MOTORS CAR...**

## **FUN-TEST RAMBLER V-8 OR SIX**

Yes—Fun-test America's fastest growing car in popularity for the thrill of a lifetime. You'll be amazed at the way it handles . . . zips through traffic . . . turns on a dime . . . parks in tight

places others must pass by. Now available with either new 190 H.P. V-8 or record-breaking Economy 6. New beauty, new comfort, new roominess for six husky six-footers with room to spare.

## **TRAVEL-TEST**

### **NASH AMBASSADOR V-8**

The moment you slip behind the wheel of this beauty you'll see why it's known as the world's finest travel car. Every feature for touring comfort has been included in the Nash Ambassador for '57. And Nash still is the roomiest car on the road—the biggest of the big V-8's.

## **THRILL-TEST HUDSON HORNET V-8**

You'll thrill to this trim, tough Hornet for '57. Power's up to 255 H.P. for blazing performance. And, best news of all—Hudson prices are down for '57! Like all American Motors cars, Hudson has Single-Unit Construction for greater safety and durability.

## **METROPOLITAN**

**"1500"**

The smart new Met "1500" combines sportscar compactness and handling ease with big-car comfort and ride. Tops in economy, too, with up to 40 miles per gallon of gas.
