

CORVETTE

AMERICA'S SPORTS CAR

Here is the Corvette '60, newly refined version of the car that captures hearts and laurels for sheer good looks and pure performance. An authoritative sports car, nimble and precise—elegant on the boulevard, eager on

the road. A luxurious year-round car with roll-up windows and choice of soft or hard top. A comfortable touring car, with deeply contoured bucket seats, deep-pile carpeting and cockpit appointments to suit the most demanding purists. An exhilarating car, with new capability and precision in braking, combined with proved steering, handling and all-out roadability. Choose from a wide range of new Magic-Mirror colors. Engines range up to 315 h.p., including exclusive Ramjet Fuel Injection*. Transmission choices are standard 3-Speed close-ratio Synchro-Mesh, 4-Speed close-ratio Synchro-Mesh*, or automatic Powerglide*. Try the Corvette—you'll see how it opens up a new life of driving fun.
