DIESEL-AUTO MECHANICS DESPERATELY NEEDED!

We have a far greater demand for our students than we can fill!
We can show you an actual waiting list of leading companies throughout the world who have tried Bailey graduates—found them outstanding, and are coming back for more! Bailey Graduates are Successful... **RECEIVE BIG PAY — HAVE SECURE FUTURE**

The Famous Bailey Course prepares you for BOTH Diesel and Gasoline Mechanics. This is a must—due to the advent of using Diesel principles, such as 'Fuel Injection' on passenger cars... use of gasoline engines for starting Diesel engines, etc. You learn all this at Bailey in the amount of time ordinarily required to learn just one of these subjects, **ALL FOR THE PRICE OF ONE.** Don't be satisfied with a 'futureless', one-type job—learn how you can make big money now! Write today for Free Booklet that takes you on a step-by-step camera tour through our spacious, modern shops—See Bailey students in action as they Learn-by-doing with the Famous Bailey Method of training! We provide you with housing and part time jobs while in school, plus nation-wide placement service for graduates.

COVER

Spring is here again and among sporting enthusiasts this means that it is time for the premier racing event in this country, the Indianapolis 500. Seated in the new Bowes Seal Fast Special is 1960 USAC National Champion, A. J. Foyt, talking to owner-mechanic George Bignotti. Crew member Jack Higelmire prepares the Meyer-Drake Offenhauser engine while the man responsible for the exotic paint job, Dean Jeffries, applies the finishing brush strokes to the Bowes emblem. Ektachrome by Eric Rickman. At the top of the page, HRM Editor Bob Greene aviates over the desert as he wrings out the new 30-inch Triumph on a rugged cross-country cycle race. Ektachrome photo by Bob D'Olivo.
