

Pick yourself a **SUNBEAM** and ride it to the sky!

Next time a Sunbeam Alpine streaks past you, imagine it's you behind the wheel. You're not operating a vehicle. You and your Sunbeam are one. Intimate. You play it, like an instrument. You glide through a lane as a sunbeam paints a meadow . . . streak down a road as a sunbeam spans a valley. You could do 100 mph, but even at forty you're flying! It's exhilarating just to *look* at your Alpine! Proud. Poised. Powerful. Yet it pampers you. With roll up windows. Seats you enjoy sitting in. An extra bit of room tucked away for when you need it. It's the lithest little temptress you ever fell in love with, and it's waiting to take you for a test spin now. Only \$2595.00 P. O. E.*
