COVER

Hot rodding assumes many faces, oftentimes disguised behind almost obscure trappings. One of the most precise dry lakes/Bonneville enthusiasts ever to dust the flying-mile, Tom Spalding has created a masterpiece in his latest kart, while the rodders behind the scenes at Detroit have come up with an interesting new power package in the turbocharged Oldsmobile F-85. More apparent to the undiscerning eye might be Roland 'Buz' Pitzen's immaculate street 'T' with a glass body. The color transparencies are by Oldsmobile and HRM's staff members: Ad Manager Tom Medley, Photo Editor Eric Rickman.
