## **ENJOY A NEW DRIVING EXPERIENCE**

You enjoy a cleaner, quieter, more comfortable ride with no wind blown hair or shouting to carry on a conversation, as you drive with the windows closed.

## **YOU MAKE YOUR OWN WEATHER**

You control the weather and humidity the year around with a Corvair air conditioner and heater. Cooling and heating temperatures can be adjusted to meet the individual's desires.

## **BENEFITS YOU WILL ENJOY WITH A CORVAIR AIR CONDITIONER**

- Circulates refreshing cool, clean air throughout the entire car on the hottest days.
- Removes up to one and one quarter gallons of moisture from the air per hour.
- Equal to cooling capacity of 2800 pounds (1.4 tons) of ice per day.
- Removes dust, pollen, smoke and moisture from the air and recirculates cool, clean air once every minute throughout the car.
- You arrive fresh and wrinkle free with no perspiration damp clothing.

## **FACTS TO KNOW WHEN BUYING AIR CONDITIONING**

- A genuine Corvair air conditioner\* is not a low capacity hang-on type, but a full size air conditioner with a cooling capacity greater than most home window units.
- A genuine Corvair air conditioner assures good cooling capacity in city traffic or open highway driving.
- A genuine Corvair air conditioner is designed to maintain the high engine performance and economy factors long associated with the Corvair.
- A genuine Corvair air conditioner does not interfere with front seat passenger comfort.
