## Here's what the other '63's wish they looked like. Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile . . . but you can see that. There's a wider Wide-

Track, too, and a full line of Trophy V-8's. (That ought to be enough to make those other cars turn green.) And we haven't mentioned such happy touches as self-

adjusting brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? We leave you with the year's happiest problem: *which* Pontiac to pick.
