### COVER

*Bombing out of the chute with all the awesome grotesqueness of a ballistic missile comes Tommy Ivo in the C-T Special, a supercharged Chrysler bursting at the seams with billowing power. To get this spectacular photograph, HRM's Eric Rickman set up shop right smack dab in the middle of LADS drag strip in Long Beach, Calif. Ivo's assignment was to light 'em up hard and charge directly at ol' granddaddy Rick, then swerve at the last minute. After we volunteered Rickman for the chore we hid in the nearby broom closet. We're cowards.*
